Note:

- **Your SNAP Test 2025 Overall percentile shown above has been calculated based on the higher of the scores obtained by you (in case you have appeared for Two or Three SNAP Tests). A rigorous process that had been statistically tested was administered to ensure that unique types of questions were framed under a specific topic across the question papers. Normal spread was ensured so that there was no unfair advantage to candidates who opted for any specific test / multiple tests. This has ensured normalization of the spread of questions across sections. Furthermore, the question papers were normalized for level of difficulty across all three sets. No correspondence regarding this will be entertained.**
- The SNAP Test 2025 score/percentile is only **valid** for admission to the programmes offered in the **academic year 2026-27**.
- A candidate will be shortlisted for the **Group Exercise and Personal Interaction (GE-PI)** process based on his / her SNAP Test Percentile.
- Only candidates who have taken the Symbiosis National Aptitude (SNAP) Test 2025 are entitled to receive the SNAP Test 2025 score card. Candidates are advised to take printout of this score card which shall be candidate's official result.
- A candidate should note that the **SNAP Test 2025 score card is an important document**, without which the candidate will not be permitted to appear for the further selection process of institute(s). The score card should be retained until the completion of the programme, if admitted.
- **Any unlawful attempt or concealment of material facts by a candidate at any stage of the admission process discovered during or after the admission has been granted shall result in the cancellation of candidature.**
